

Member Advantage Program

FPA is pleased to announce the launch of the new Member Advantage Program that connects FPA members with quality product and service providers. Start taking advantage of members-only discounts on:

Long Term Disability Insurance

Enjoy savings up to 50% on Long Term Disability Insurance provided through Ryan Insurance Strategy Consultants. *The open enrollment period is available to all members through May 31, 2009.*

Errors and Omissions Insurance

Save five percent and receive quality coverage and excellent customer service through the Cambridge Alliance. Coverage has been offered through this provider since 1988.

Auto Insurance

Save up to eight percent off GEICO's already low rates with this new member benefit. Take advantage of your free rate quote today.

Wireless Phone Center

Shop wireless phones, carriers and accessories and enjoy special members-only savings. A vast selection of carriers and products available.

Travel Vacation Center

Enjoy discounts on vacation packages for yourself, your family or your business. Individual and group packages available.

Online Mall

Take advantage of savings and cash back earnings on what most people already do regularly – shop online. Over 500 best-in-class retailers to choose from.

Identity Theft Protection

Every three seconds another identity is stolen. Protect your identity with discounts on LifeLock, the leader in identity theft protection.

IPS AdvisorPro®

Build quick and easy Investment Policy Statements through this Web-based software created *by advisers for advisers*. Member discounts are available on your first year subscription.

Enjoy the group buying power of FPA with the new Member Advantage Program. Visit www.FPAnet.org and click on "Discount and Insurance Programs" under the Membership tab for more information. Also, check out existing programs such as the Financial Planning Association Platinum Plus® MasterCard® Credit Card or special FedEx discounts.
